AUAND, come tutte le piccole etichette indipendenti che investono in musica non prettamente commerciale, ha bisogno di orecchie curiose. È per questo che ci sentiamo di ringraziare tutti coloro che vorranno supportare **AUAND** seguendo e acquistando le nostre produzioni.
Solo in questo modo potremo sopravvivere e continuare ad investire nella musica che amiamo.

As a small independent label who invests in non strictly commercial music, **AUAND** needs curious ears. This is why we would like to thank everyone who will support us by following and buying our music.
It's the only way for us to survive and keep investing in the music we love.
